Line and Space Bingo

Line and space bingo has been around forever!

Children place bingo chips on lines and spaces as they have been called out and when all the notes on the gameboard are filled up the children call out
Bingo!

Call out lines and spaces and remind
children and parents to count from the bottom up
BUT

**be sure to save Bass Clef line 2 or Treble Clef Line 5
as your last card so everyone WINS as the same time!
This is what makes this game FUN!**
