

BubbleGum Fun

SB2/MB1

How to play BubbleGum Fun:

Have students stand at their keyboard and put the gameboard on their stool. Play a note (with the correct hand) and add a pompom on top of the note you play. If you have a student who quickly finishes, let them turn the page over and try the other side (as many as they know).

Boards Included:

1) Moonbeams

All the treble clef notes from middle C to high G.

2) Sunbeams

All the bass clef notes from middle C to low F.

How Many to Print
