Notes from your teacher:

For **MYC Baseball**, the focus is to get kids playing their songs multiple times! Every time they play a song 4x in a row they get a home run. Once songs are getting really good you might notice your child playing the song perfectly, this can get kids an automatic homerun (1x perfect = one diamond!). At the end of the week count up the total diamonds colored, that's how many homeruns! (half colored diamonds do not count, this is to encourage kids to play the full 4 times!).
