Note(s) from teacher:

Music Bucks! Instead of coloring the day, write your minutes in each key, or use the coloring page from last week to keep track of your minutes. Try to get 60 each week!

## Recital Choices

- Choose your child's **top TWO songs** from this list of recital possibilities. Next week in class, we will assign **ONE song** to each child to play for their solo and a group song to play all together. We practice A LOT with this age group, and while no child is forced to go up on stage, most of them will go up willingly and play!
