	S-3							
Listening 	L-1 play patterns on the piano							
Rhythm Ensemble 	E-3/4 all lines Jeremiah Clarke (read)							
	Rhythm Stories: Use ta dot ti							

Begin Keyboard practice with warm-ups (scales). Your presence may be needed when new skills are added. Usually your child can warm up alone and review an old piece before asking you to join in.

Together you and your child might outline a plan for the week. Mark daily accomplishment goals in the new piece(s) for each day. Encourage repetition until mastered.
