

Sunbeams 2

Lesson # 2

Tin sheet at home: Review Bass Clef Notes

		Sun	Mon	Tues	Wed	Thurs	Fri	Sat
Keyboard 	K-3 - Hands Separate (HS) first - RH with RHYTHM WORDS (RW), LH say note names							
	K-2 (means solo next week) - HT with RED chord in the LH							
	Bonus: W-3, W-4							
	WB-32 C+ Chords LINE 1 Chord Chart: This is C with a RED chord This is D without a chord ...							
Homework 	H-3 remember, the key signature for C Major is nothing (no sharps) so there is nothing to copy							
	H-4							
Singing 	S-3 Fingers							
	S-4 Creepy							
Listening 	L-2 sing with different dynamics (use S-4)							
Rhythm Ensemble 	Rhythm Story - Use Rhythms from K-3							
	E-15 bottom line (use castanet)							

Some of the most important social skills are developed in the kindergarten & early elementary years. Sharing and taking turns is an ongoing theme at this age.

Your teacher may use the dynamics of a small group to provide children with the experience to stretch and grow.

For example, your teacher may pair a strong singer with a more hesitant singer. This is not the time to say to your hesitant child, "Sing loud!".

Chord Progression
