Outer Ledger Lines - Swinging High And Low

Ledger line notes above the treble staff are:

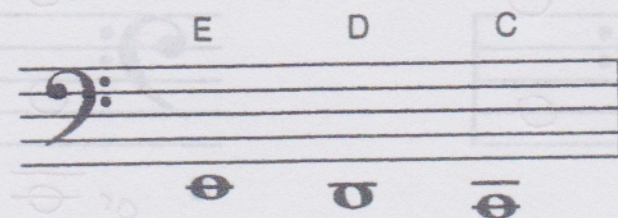

These notes sit above the staff. We need more lines for them. These lines are called Ledger Lines.

When the original note is a line note, the ledger note one octave apart, is a space note. When the original note is a space note, the ledger note one octave apart, is a line note.

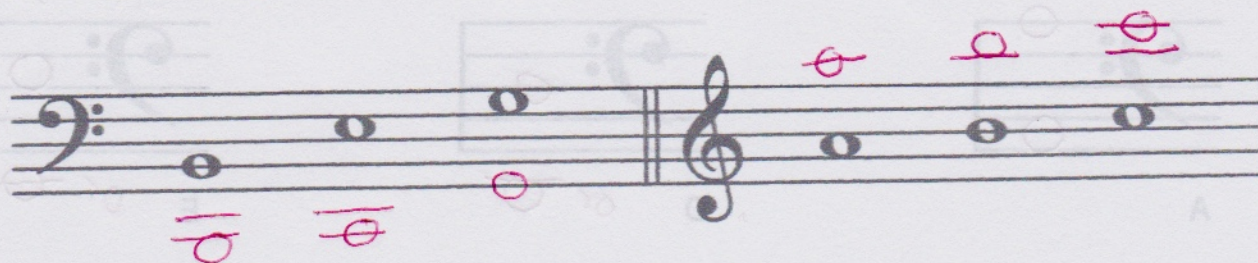

Ledger line notes below the bass staff are:

Write the following notes an octave lower.

Write the following notes an octave higher.

Flats

The heart shaped part of the flat

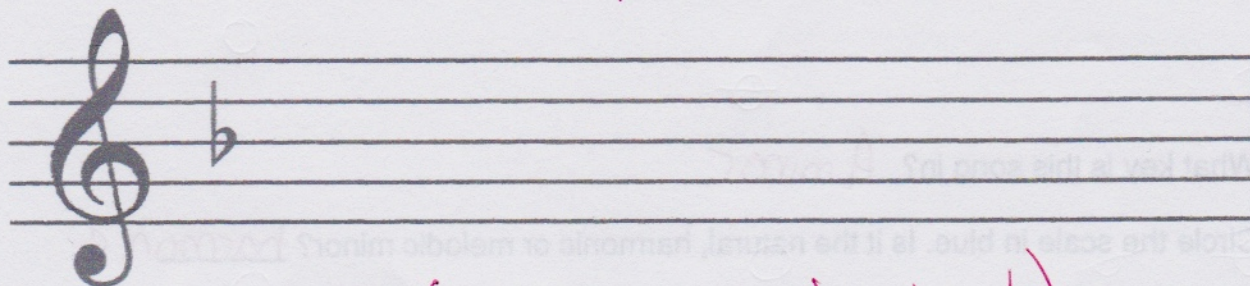

sits right on the line or in the space.

Make some more flats here.

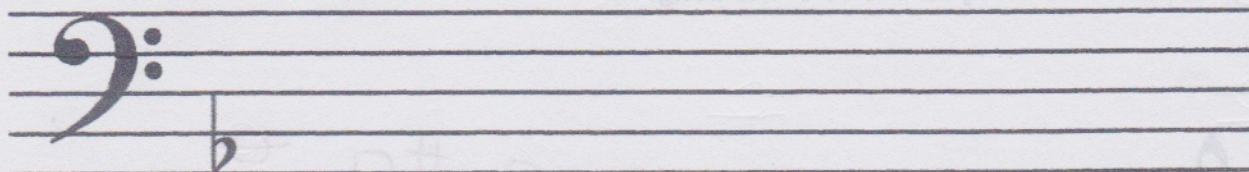

Draw some line and space flats.

anywhere is correct 😊

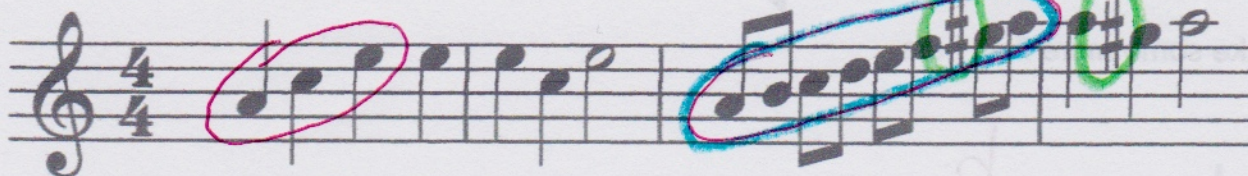

(Don't make too big!)

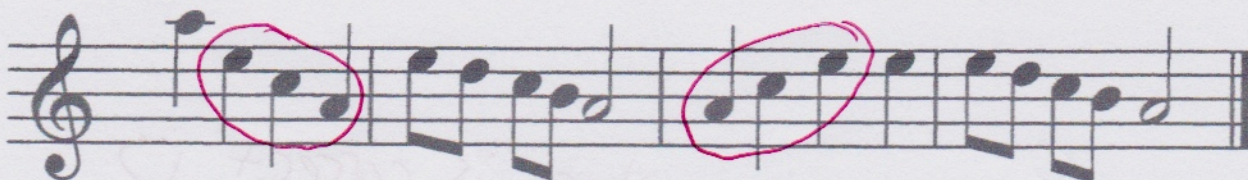

Space Aliens

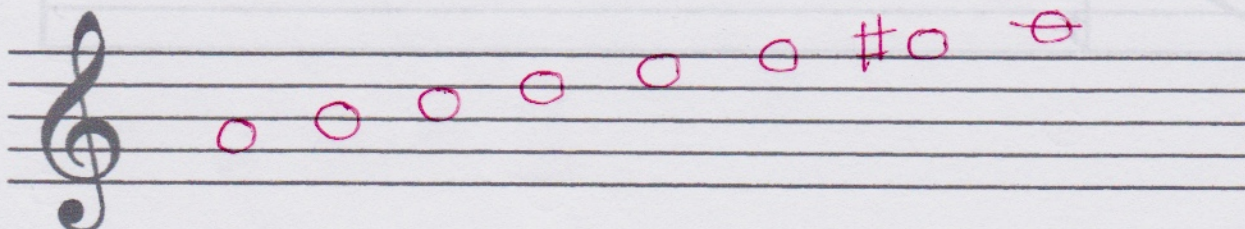

See the space-ship rid-ing by. There it goes _right_ up _ to the sky.

5 3 2 1 We can see it fly. See the space-ship rid-ing in the sky.

1. What key is this song in? A minor
2. Circle the scale in blue. Is it the natural, harmonic or melodic minor? harmonic
3. Circle the accidentals in green.
